UNIQUE
BLEND OF
7 SPICES

Part proceeds from the purchase of this pack is donated globally to Magic Moments Youth Leadership. magicmoments.org.au

We both grew up drinking turmeric milk as children, not really understanding the true benefits, but mums always know best right! Now our new recipe, at Nature's Harvest, is even more beneficial with the added spice blend and even our mums agree—tastes great, served hot or iced. We hope you enjoy and get the true benefits of drinking it!
